Golfer of the Year Presentations

- 2nd runner Up — George Thompson
- 1st Runner Up — Ed Palguta
- Golfer of the Year — Jeff Hild
- It was pointed out that after collecting all of the scores and recording them in the Golfer of the Year worksheets for five years, Jeff finally figured out a way to win.

Schedule of Tournaments for 2016 (Darrell)

- Darrell is already working on the 2016 schedule. We hope to schedule everyone we had this year plus Navy.

Board Nominations for 2016 - 2017

- We had four nominations for Directors for the five elected positions available on the Board.
- Darrell Blevins, Rob Wheeler, Bob Frucella, and Jeff Hild.
- The nominations were approved by acclamation for terms of two years.

Message from the Players' Representative

- Bob F. has the most important job at Musket Ridge — getting the donuts — the schedule can be fouled up, the results can be wrong, the format can be unpopular, the prizes can be paid to the wrong people — but if the donuts are not here early, Jeff never hears the end of it.
- Our very own Tom Rowlett, who was the previous MISGA club representative for Musket Ridge is now the Deputy Division Director for Division II.
- For 2016/2017, Tom will be the Division Director for Division II.
- He is also in line to become the next president of MISGA at the state level in 2016.
- In 2015, we had 59 events scheduled, 17 at home and 42 away.
- There were two rainouts (Hunt Valley and Crofton).
- There are also four Ryder Cup matches to be played this year.
- Nobody gives you more chances to play in MISGA events than Musket Ridge.

- Winter survey might have questions about rule 89, 8:30 start times for the summer,
- Tuesday/Thursday play will be set up for any Tuesday and Thursday where no MISGA event is scheduled. We are looking at a few different formats and need a volunteer to manage these senior events. Do not all run up here at once, but you can see Jeff Hild after the meeting if you are interested in helping out.
